

"You'll feel like living in an ancient medieval village...a life of times gone by!"

In fact, our flats are built around a **private patio** with 150 m2 area, surfaced with characteristic sicilian terracotta tiles and surrounded by characteristic tuff walls. The environment is made unique by wonderful architectural features and stupendous decorative plants. The terrace is available to all our guests and it's furnished with l

awn chairs

,

benches

,

lawn swing

, a big

teak table

for unforgivable dinners under the stars,

barbecue

area, large

hob and sink

. Part of the terrace is also furnished with

outdoor showers

and

drying racks

.
